

ISO 9001:2008 REGISTERED

# VCL Roller Pro

The first quick change system designed specifically for the municipal market. The versatility of the universal transfer system allows for optimal heavy truck use during fluctuating weather conditions. Over 50,000 lbs of lifting capacity, lets you go from sander to dump body, to water wagon in moments.

### Standard Features:

Heavy duty 'stinger' arrangement to leave your truck as short as possible.  
Low profile design keeps low centre of gravity to maximize the use and safety.

### Options:

Any type of body you can imagine is possible. From leaf truck to snow removal, to a portable office, sign truck, flat bed, dump and liquid tank; options are endless.
